President’s Note

You know the old saying, "March comes in like a lion and out like a lamb"? It seems to be true for MBTA as well, at least the "comes in like a lion" part. Our incredible phase one SPED teams have returned to in-person instruction with phase two slated for March 8th. We have been working with the district since early October on this plan and while it is certainly not ideal, we know that we didn't have the right to refuse. Remember we can negotiate HOW we go back, not WHEN. Plans are underway to bring our TK-5th teams back to in-person instruction early next month as well as secondary teams once we are less than 8:100K cases. If you are interested in getting vaccinated, PLEASE BE PROACTIVE! There aren't any plans to have MPUSD roll out a schedule.

Sign up for ANY available slot and let your admin know. If it is during the work day, plan on providing asynchronous work. Please allot travel time as well as time to get vaccinated. Some places are really quick, some larger sites may take 45 minutes. Spring break is just around the corner! If you are still looking for an appointment to be vaccinated, please reach out and I can connect you with some resources. Just a reminder that being vaccinated is NOT a condition of employment, we are just trying to make sure that people who are choosing to be vaccinated, can be! In Solidarity, Lauren

The Standard Insurance

Starting on March 15th
Open Enrollment for MPUSD: To be able start coverage without a background health check we need 25 sign ups. Right now we have 9. Not only do they provide disability insurance but you can also qualify for a $50,000 no cost life insurance policy.

Top 3 reasons to have separate disability insurance: Maternity Leave Sick/ Injured Unable to work
Monthly fee depends on your step and column and averages less than $30 a month!

Member of the Month

Meet Paige Peck!

School: Monterey High School
What I teach: High school math
I like: Bread from Pavel's and riding my bike after a long day.
I don't like: When people choose to be unkind or refuse to consider others.

Why you value the union: I value the union because I value teachers. Collective organizing in the workplace is a rare privilege these days, so I am very grateful to be able to organize with all of you and feel power through our collective voices, even as a 2nd year teacher.
